

Is it right for you?

You may benefit from talking to a Community Navigator if you notice any of the following:

- Difficulty paying rent, bills or for groceries
- Asking for payment extensions or falling behind
- Avoiding services or appointments due to cost concerns
- Sudden changes in employment or reduced work hours
- Relying on payday loans, buy-now-pay-later services, or borrowing from friends/family
- Receiving disconnection notices for utilities (electricity, gas, water)
